Station Ootacamund , *Dated the* 7th June 19124

From (*Name*) Major-General T.H. Symons, C.B.E., I.M.S.,

(*Designation*) Surgeon-General with the Govt. of Madras.

To The Secretary to the Government of Madras,

LOCAL SELF GOVERNMENT (PUBLIC HEALTH) Department.

Sir,

I have the honour to forward for the favourable consideration of Government, copy of an application with plans and estimates from the Director, St. Joseph's Leper Asylum, Mangalore, dated 4-10-1923, for a half grant for the construction of latrines and bathrooms for the female ward of the Asylum.

(D) 2. In G.O. No.239 Medical, Mis., dated 17-5-1920, the Government approved plans and estimates amounting to Rs. 22,220 for extensions and improvements to the Asylum, and sanctioned a half grant of Rs.11,110 from Provincial Funds. Of the works detailed in the original plan approved by

Ro 1382 P4 (C) 22.10.21

Government

Government, latrine and bath rooms for the female ward were not constructed, as the plan originally proposed was found to be defective on sanitary principles. For all other works completed grants amounting to Rs.10,217-8-0 were disbursed by me, and there is a balance of Rs.892-8-0 undisbursed. (This has lapsed)

This Estimate has been noticed before the plans were forwarded to Govt. necessitated disbursement of the grant and saving if any

3. When the Director of the Asylum reported that the construction of the latrine and bath rooms could not be conveniently carried out as proposed and requested permission to rebuild them in a more sanitary way with a view chiefly to eliminate the use of the scavenger, he was permitted to submit fresh plans and estimates for the same. The plans and estimates amounting to Rs.3843 submitted by the Director, were forwarded to the Superintending Engineer, Coimbatore Circle, for scrutiny and report. He has now returned them duly approved for Rs3610/- only. The District Medical Officer, South Kanara approves of the plan and recommends the application of the Director for sanction. I consider that, in the interests of the leper patients and the surrounding population, it is very essential to have the latrine and bath rooms constructed as now proposed and the half grant asked for is justifiable. I therefore recommend that Government will be pleased to approve the plans and estimates and sanction the half grant applied for.

original estimate was Rs 1000 ½ = 1875 ½ = 3 more

I have the honour to be,

Sir,

Your most obedient servant,

T. R. Symons

Major-General, I.M.S.,
Surgeon-General with the Govt. of Madras.

V.R.S.11/6.

Copy of letter dated 4th October 1923 from the Director, St. Joseph's Leper Asylum, Mangalore, to the Personal Assistant to the Surgeon-General, through the District Medical Officer, South Kanara.

In continuation of your letter No.262 C-10/22 of August 1st, 1923 in reply to my letter No.1751 dated 21st July 1923, I have the honour to submit herewith plan and estimates, for the

latrines

latrines and bathrooms of the Female Ward of the St. Joseph's Leper Asylum for favour of sanction and of a liberal grant for the execution of the work.

- - - -

Copy of endorsement N. Dis. Cur.3224/23 dated 4th October 1923 by the District Medical Officer, South Kanara.

Forwarded and strongly recommended. I approve of the proposed plan for the latrine. A similar pattern is in use on the male side of the Leper Asylum and has proved satisfactory.

As the care of these lepers should be a communal charge I think the Government will be justified in granting the amount asked for. The estimate appears to be moderate.

L.S.G.(MS) 26/6

CM. 17414. From the S. G. No 1254 Accts dt 7.6.24.

Grant. St. Josephs Leper Asylum, Mangalore. Construction of latrines + bathrooms for the female ward.

RS.

(D) The necessity for the work has already been accepted (vide G.O. 239 MSD dt 17.5.20). The SG Considers that it is very essential that the latrines + bathrooms shd be constructed according to the proposed plan (D) instead of the one approved in G.O. 239 Medl dt 17.5.20. A half grant of Rs 1805 may be promised subject to the Condition that the grant will be disbursed only as funds become available. and the item may be placed in the waiting list for 1925.26.

Estimate 3610/2 = 1805.

It will come fifth in the list see list at (I)

A draft order is subd for approval It may be sent to Finance for acceptance

Appl. of

7/7/24

The plans and estimates ~~amounting to Rs 3,610 as revised by the Superintending Engineer~~ for the construction of latrines + bathrooms for the female ward of the St Joseph's Leper Asylum, Mangalore, are approved as revised by the Sight Engineer, Coimbatore Circle.

2. The Govt will be prepared to sanction a grant (of half the cost of the work) not exceeding Rs 1,805 ~~for the proposed works~~ subject to the following conditions:-

(1) that the buildings are used solely for purposes of the Leper Asylum

(2) that the authorities of the asylum agree to refund the grant if the buildings

3610 : 1805
2

are alienated or encumbered or diverted for any other purpose without the sanction of the Govt within twenty years from the date of payment of the grant.

3. ~~The Mission will have to obtain~~ When applying for the disbursement the grant ~~has required to furnish after the~~ the authorities of the asylum should furnish ~~work is completed~~ a certificate from the Exe. Engineer of the Division to the effect that the work has been carried out in accordance with the approved plans & estimate and that a sum not less than twice the amount of the grant claimed has been expended thereon.

4. The application will be included in the priority list of schemes awaiting allotment of funds in 1925-26 and the actual disbursement of the grant will be made in accordance with such priority list. No guarantee can be given at present that the amount will be disbursed in any particular year.

5. The S.G is requested to obtain from the authorities of the asylum a signed deed accepting the grant on the conditions mentioned above.
